Two Decades and Counting: The Streak, The Wins, The Hawkeyes: Thru the Eyes of Roy Marble

The expectations were high, and the results were record breaking. Before the 1986--87 season began, the pre-season AP poll had the Iowa Hawkeyes ranked tenth. Iowa fans suspected it might be low as they had Roy Marble, whom Sports Illustrated had compared to another number 23, Michael Jordan. The s

Statistical Analysis with Missing Data

Praise for the First Edition of Statistical Analysis with Missing Data "An important contribution to the applied statistics literature.... I give the book high marks for unifying and making accessible much of the past and current work in this important area."
—William E. Strawderman,

What others say about this ebook:

Review 1:
pretty nice

Review 2:
Tried many GMAT Verbal books. This one definitely provided the prospective and support necessary for increasing my verbal score. Would recommend to anyone trying to improve their GMAT score. I found myself going back to this book to understand incorrect answers from my practice exams.

Review 3:
not very useful.

Review 4:
received as described. great!!!

Review 5:
There are not a lot of books on just SENTENCE CORRECTION, which is why I was attracted to this book. It was the one area in the verbal portion of the exam I needed work, and this book does a great job walking you through the basics and putting all the pieces together. This is not a quick outline book, but a thorough read that will take a good week to master. I am now reading it a second time to reinforce what I learned. Most other books cover all the verbal, but if you want to really LEARN this stuff (sentence correction), get this book to fill in the gaps.
